

**Material Safety Data Sheet**

May be used to comply with OSHA's Hazard Communication Standard, 29 CFR 1910.1200. Standards must be consulted for specific requirements.

**U.S. Department of Labor**

Occupational Safety and Health Administration  
(Non-Mandatory Form)  
Form Approved  
OMB No. 1218-0072

Identity (As used on Label and List)

**STOCKOPAM**

Note: Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that.

**Section I**

Manufacturer's Name and Address

**Stockhausen, Inc.**  
**2401 Doyle Street**  
**Greensboro, NC**  
**27406**

Emergency Telephone Number

**(800) 242-2271**

Telephone Number for Information

**(336) 333-3500**

Date Prepared

**1/12/01**

Signature of Preparer (optional)

NA = Not Applicable

NE = Not Established

NH = Non-Hazardous

**Section II - Hazardous Ingredients/Identity Information**

Hazardous Components (Specific  
Chemical Identity; Common Name(s))

Polyacrylate Polymer

CAS No. 25085-02-3

OSHA PEL

NE

ACGIH TLV

NE

Other Limits  
Recommended

Irritant (eye)

% (Optional)

major

Serial Number

0715

The final components of this product have been reviewed and are confirmed to be listed on the US Toxic Substances Control Act (TSCA) chemical substances inventory.

**SARA Section 313 Reportable Toxic Chemicals - 0%**

**Section III - Physical/Chemical Characteristic**

Boiling Point

N/A

Specific Gravity (H2O=1)

Bulk Density

44 lbs/ft3

Vapor Pressure (mm Hg.)

Not established

NE

Melting Point

N/E

Vapor Density (AIR=1)

Not established

NE

Evaporation Rate  
(Butyl Acetate =1)

Less than

1

Solubility in Water

Forms viscous liquid; limited solubility.

Appearance and Odor

White granular solid; mild acrylic odor.

**Section IV - Fire and Explosion Hazard Data**

Flash Point (Method Used) > 400C (COC)

Flammable Limit LEL NE UEL NE

Extinguishing Media

Any available media; CO2, dry chemical.

Special Fire Fighting Procedures

None. Normal fire fighting procedures require self-contained air supplied breathing apparatus and protective gear for any hostile fire.

Unusual Fire and Explosion Hazards

None known. Slippery conditions are created with spilled material.

**Section V - Reactivity Data**

**Stability**       Unstable      **Conditions to Avoid**      None known.  
 Stable

**Incompatibility (Materials to Avoid)**      None known.

**Hazardous Decomposition or Byproducts**      None known.

**Hazardous Polymerization**       May Occur      **Conditions to Avoid**      None known.  
 Will Not Occur

**Section VI - Health Hazard Data**

**Routes of Entry**      **Inhalation:** Yes      **Skin:** No      **Ingestion:** No

**Health Hazards (Acute and Chronic)**      Contact with the eyes and/or prolonged/repeated skin contact may cause irritation.

**Carcinogenicity**      **NTP:** No      **IARC:** No      **OSHA:** No

**Signs and Symptoms of Exposure**      Reddening, swelling of affected area with possible itching, burning or other discomfort.

**Medical Conditions Generally Aggravated by Exposure**      Existing cuts, rashes, allergies or other sensitive areas.

**Emergency and First Aid Procedures**      Eyes and skin: flush thoroughly with water.      Inhalation: move to fresh air.  
Ingestion : if ill effects occur, seek medical attention as with any prolonged discomfort or discoloration.

**Section VII - Precautions for Safe Handling and Use**

**Steps in Case of Released/Spilled**      Contain. Thoroughly collect all spilled granular material. Flush residuals to the drain for normal biological treatment.

**Waste Disposal Method**      Incinerate or other approved method according to local, state, and federal regulations. Dispose of unadulterated product as a non-hazardous waste.

**Precautions to be Taken in Handling/Storage**      Handle as an irritant. Do not get in eyes. Avoid prolonged/repeated skin contact.  
Prolonged/repeated skin contact may cause irritation. Ingestion: Do not ingest.

**Other Precautions**      Spilled product creates very slippery conditions, especially in contact with water.

**Section VIII - Control Measures**

**Respiratory Protection**      For dusty conditions respirators are recommended.

**Ventilation Local Exhaust**      If needed to control dusty conditions.

**Special**      Not required.

**Mechanical**      Recommended.

**Other Ventilation**      Not required.

**Protective Gloves**      Impervious neoprene or rubber.

**Eye Protection**      Safety glasses

**Other Protective Clothing or Equipment**      Shoes, apron or other as needed to prevent skin contact.

**Work/Hygienic Practices**      Wash thoroughly after handling.
